TESTIMONY OF THE VISIONARIES

Shri Devendra Fadnavis
Hon'ble Chief Minister of Maharashtra

I would like to thank ACETECH for inviting me here and all the industry heads who are present here to discuss and deliberate over ideas that would change the city and the industry for better. The industry and the government has a common agenda and we would work together to change the city.

Dr. Niranjan Hiranandani
Hiranandani Group of Companies

This show is amazing. It not only gives a common platform for all the members of the fraternity to interact and gauge future trends, but it also exposes us to newer ideas coming from the sharpest minds of the industry.

Hafeez Contractor
Architect Hafeez Contractor

I am really surprised with the amount of new materials that are now available in India and showcased at ACETECH. This platform, indeed, is a great opportunity for each and every one.

Sandeep Runwal
Runwal Realty

Happy to be here at ACETECH. The show is getting bigger and better every year, and it's a great place for developers like us to interact with architects, building material manufacturers and suppliers, enabling us to design master plans.

Vikas Oberoi
Oberoi Realty

ACETECH is one event I think which can probably be compared to what is happening in Milan, Paris, or anywhere else in the world.

So, it's a global standard event with an excellent team and a display of great products.

Ashish Raheja
Raheja Universal Ltd.

ACETECH is a game-changer in the technology industry, building better lifestyles through its innovative solutions. The name itself is a testament to its excellence in the field. With a strong foundation in both architecture and engineering, ACETECH is paving the way for India's growth and development.

TESTIMONY OF THE VISIONARIES

Supraja Rao

Design House By Supraja Rao

ACETECH provides an excellent platform for networking and learning from industry experts, and I'm thrilled to be a part of it. I highly recommend attending this event if you want to stay ahead of the curve and learn about the latest trends in the industry.

Dhaval Ajmera

Ajmera Realty & Infra India Ltd

Hats off to ACETECH and the entire team for putting on such a great event. And in my opinion, Mumbai real estate in particular is positioned for a very, very strong start. And we only wish the best for all of the architects, developers, and staff members of ACETECH.

Boman Irani

Rustomjee Group

The customer experience out here is pretty good for Developers like me. I can see everything that is new and good in the market and meet up one-on-one, as most of the brands displayed out here are by their owner and promoters.

Alfaz Miller

ABM Architects

I have been coming to ACETECH for the past 5 years. I have seen the show growing at a rapid pace.

This exhibition is truly amazing.

Jimmy Mistry

Della Group / Della Leaders Club (DLC)

A lot of design inspiration has been picked up by our Indian companies which can be seen in ACETECH. It is truly a global platform. They have left the competitors far behind. Today professionals want to come to ACETECH as it showcases the best.

Anuj Puri

ANAROCK Property Consultants Pvt. Ltd.

ACETECH today has the representatives of the Indian Government. International Design Fraternity and key developers all under one roof. The most influential guys in the Indian real estate industry are present today.

TESTIMONY OF THE VISIONARIES

Manoj Gaur
Gaur Group

Witnessing the best of infrastructure, design and innovation world, under one roof is a matter of 'seeing is believing'. There is no doubt that this is the best show and it is indeed a pleasure being in the middle of the finest brains from the industry.

Krupa Zubin & Zubin Zainuddin
ZZ Architects

Attending ACETECH was an amazing experience for me. It was refreshing to be around such positive energy and like-minded people. I highly recommend attending this event to catch up with the latest trends in the industry, as there are plenty of new and innovative products on display.

Shashi Prabhu
Shashi Prabhu & Associates

I have been attending DW since the last 4 or 5 years, ever since you'll have started, and it's doing extremely well. It is getting better every year.

Sanjay Dutt
Tata Realty and Infrastructure Ltd.

ACETECH events are always about great planning and great execution. There was an amazing session moderated by Anuj Puri that I thoroughly enjoyed and participated in. There were a lot of insights and takeaways. And I think this journey of learning and growing with the colleagues and sector will continue. I wish ACETECH all the best in the coming events.

Sonali Rastogi
Morphogenesis

It's always been a pleasure to be at ACETECH. It's been almost two decades that I have been coming to ACETECH.

Vivek Gupta
Arvind Vivek & Associates

Extremely delighted to be here at the Acetech. Always a grand show, the best in the industry. I'm always, very happy to participate. All the best, ACETECH.

TESTIMONY OF THE VISIONARIES

Karim Rashid
Karim Rashid INC

It feels great to be a part of ACETECH and in some ways it has surpassed international standards, like the show and I would love to come back again next year. It is nicely put together and the best part is that it offers more than good business to the participants, by that I mean that it brings to the table many good ideas which will help participants grow and deliver better.

Dr. Oscar G. Concessao & Dr. Ponni M. Concessao
OPR Architects Oscar, Ponni & Rahul

Excellent, innovative products showcasing. Also it's on global standards which is very good & well organized. The timing, the planning in itself has improved a hell of a lot. We saw a galaxy of products and they're kind of ecofriendly, sustainable and a lot of versatility. We've been coming here over the years. Every year I find you guys raising the bar.

Sonali Bhagwati
Designplus Architecture

Partnering with ACETECH is a fantastic experience. The platform offers everything for your home in a dynamic atmosphere, setting the bar for international standards.

Don't miss out on the exceptional opportunities available at ACETECH.

Reza Kabul
Architect Reza Kabul (ARK)

The ACETECH team is doing a great job of bringing all the innovative products under one roof.

Pradeep Aggarwal
Signature Global (India) Ltd.

The real estate industry is witnessing an incredible boom today, making it the perfect time for growth and investment. The pandemic has truly reinforced the importance of owning a home, and real estate has always been an integral part of India's financial planning.

Sunita Kohli
K2India

ACETECH is a vibrant pulse of the design world. It's where I discover the unexpected, from innovative materials to cutting-edge technology. A must-attend for anyone serious about pushing creative boundaries.

TESTIMONY OF THE VISIONARIES

Abhishek Lodha
Lodha Group

It has been great to be a part of ACETECH this year; it's a platform which facilitates good business as well as a robust exchange of ideas. Such a collaborative effort will go a long way in establishing better practices within the industry.

Yatin Patel
DSP Design Associates

ACETECH has transformed remarkably, showcasing an impressive array of innovative and eco-friendly products. This presents a unique opportunity for architects and clients to explore new possibilities for sustainable living. Let's leverage these products to inform and educate for the betterment of our society.

Aamir Sharma
Aamir & Hameeda
Interior Designers And Contractors

They've really put emphasis on engagement this edition. The addition of Vision Installations, for instance, got important conversations going amongst many of us in the industry. The panel discussions too, were extremely relevant and interactive. I think ACETECH caters to every need and requirement of the architecture, building materials and design fraternity today.

Bobby Mukherji
Bobby Mukherji Architects

The introduction of focused pavilions has been a game-changer for industry-specific segments. I think it streamlines engagement and procurement, making it an extremely profitable choice for brands looking for guaranteed returns on investment. The networking forums have been drawing in quality audiences, and the whole show is being executed seamlessly.

Zaki Shaikh
Parthenon Architects

ACETECH has consistently evolved over the years. Whether it be through new show formats, the creation of networking avenues or the forefront of engagement, there's always something new to look forward to. It has truly become an annual ritual for the architectural fraternity.

Dikshu Kukreja
CP Kukreja Architects

I've been a regular at ACETECH and have seen it keep up with an extremely unpredictable market. They are constantly innovating, and crafting a better, more cohesive platform for both their exhibitors and visitors. There is something for everyone at ACETECH.

TESTIMONY OF THE VISIONARIES

Prof. Krishna Rao Jaisim
Jaisim Fountainhead

ACETECH has consistently evolved over the years. Whether it be through new show formats, the creation of networking avenues or the forefront of engagement, there's always something new to look forward to. It has truly become an annual ritual for the architectural fraternity.

Manit Rastogi
Morphogenesis

The Indian Construction Industry requires a platform that acts as a standard bearer, that can curate and bring in a much needed qualitative and innovative direction to this industry. I believe ACETECH has the potential to be just that!

Kanhai Gandhi
KNS Architects

The show is amazing. It not only gives a common platform for all the members of the fraternity to interact and gauge future trends but it also exposes us to newer ideas coming from the sharpest minds of the industry.

Sunil Gambani
Drishti Architects & Interior Designers

It's a fabulous feeling. Always look forward to these events. They are great learnings specially coming from ACETECH, they're always the best. If architecture is bound to change, ACETECH will change and will always be the pioneer and bring about whatever is the best.

Grigoria Oikonomou
Helios Design Concept Studio

ACETECH is completely different from what I know from last year. It has grown a multiple times. It is very important, that the people who come here are seeing the innovative product that are eco-friendly, so with the help of this kind of product, we can tell the architect to use them, explain the client about the eco product and use them for the betterment of our life.

Neejeeb Khan
KGD Architects

Great innovation in the materials and the way you put up the products. Amazing forum, big jury, one of the best forums for networking.
